For over 40 years, the Love Fund has stood in the gap for children in need, helping over 220,000 youth. The Love Fund was established to improve the quality of life for children newborn to 18 years of age in the Greater KC area, when funding from other sources is not available. Help us hit the ground running at our Love Fund for Children Family Fun Run presented by Worlds of Fun! Our goal is to partner with you to promote your business and give you a real presence at our race. Please see the sponsorship levels below to determine which level best benefits your business.
